

RESOLUTIONS TO HELP

LIVE A LONGER, HAPPIER & HEALTHIER LIFE WITH ME

Copyright 2015. www.PetSafetyCrusader.com

I promise to:

- ❧ Do a weekly head-to-tail check-up of my dog or cat and really get acquainted with his habits so that I can discover a small problem before it becomes a nightmare.
- ❧ Schedule a visit with our veterinarian to discuss any findings and have our vet do his or her own examine, run tests, give any necessary vaccinations and let me know of any special needs my pet may have.
- ❧ Check into veterinary Insurance or have a "Plan B" (credit card or separate bank account) so that if my dog or cat needs medical care, I will be able to provide it.
- ❧ Sign-up for a PET FIRST-AID & CPR Class and have a PET FIRST-AID KIT on hand, so that I can help my best friend BEFORE veterinary care is available.
- ❧ Cut out table scraps (except for carrots, bananas, string beans and other pet-friendly human foods) and keep my dog or cat well exercised.
- ❧ Brush my pet's teeth (or at least wipe the teeth and gums) at least every other day to prevent bacteria from travelling through my pet's bloodstream.
- ❧ Make sure my dog or cat has a up-to-date and registered microchip and other ID on him at all times and keep him safely in a fenced yard (with supervision) and walk him on leash.
- ❧ Enroll my dog in an obedience class (or give him a refresher on my own) so that he will be a welcome friend wherever we go together. I will also teach my cat to "stay" and "leave it" to keep her safe.
- ❧ Provide my dog or cat with a comfortable place to sleep in a warm, draft-free area.
- ❧ To give my pet at least as much unconditional love as he gives me and spend quality time with him daily as that is the greatest joy of being a Pet Parent!!!

Loving & Responsible Pet Parent
